WOMEN have had a big share of work allotted to them in the Billy Sunday campaign. They have done the chief work in connection with the prayer meetings and religious census taking, the preliminary activities, and are now taking hold of the real work.

Mrs. David Cole is chairman of the entire work among women, with special supervision of the work for clerks and office women in the downtown district. Co-operating with her and securing a co-operative committee of "key women" in every department of every store, on every floor of every building and in every section of every factory, is Mrs. May Finley, chairman of the business women's invitation committee.

Mrs. M. B. Blackwell is chairman of what is known as extension work among women and deals with all employed girls outside of the downtown district, including factory workers and domestics. As the principal work for business women in the downtown district is carried on by means of a luncheon and Bible study hour from 11 a. m. to 2 p. m. four days a week, a luncheon committee is required. Mrs. George Wickersham heads this committee.

Another important department of the work is the nursery, which is required because so many children, who might disturb the tabernacle meetings, are allowed in the building. A free nursery where children will be cared for and entertained by volunteer nurses will be established in the store room next door to the Union Gospel mission, at 1314 Dayton street, within a block of the tabernacle. This will be in charge of a large committee representing all the churches, under the chairmanship of Mrs. W. T. Graham.

Mrs. Cuthbert Vincent, president of the White Shrine, announces the following committees: Constitution, Mesdames F. L. Nesbit, H. C. Barton, W. G. Neman and Dan Moore; organization of whist club, Mesdames I. L. Van Zandt, Charles Molony and Mary Wearne.

The Sojourners club, which plans to do some practical work for the Masonic orphanage home at Fremont, this committee will go to visit the home. Mrs. Martha Christmaney, Mrs. James E. Bednar and Mrs. C. Vincent. The trip will be made early this week so that a report may be given at the meeting Friday at the home of Mrs. Vincent.

The Sojourners' club of the White Shrine will be entertained Friday afternoon at the home of Mrs. C. Vincent.

The Woman's club of the Railway Mall Service has issued an attractive year book. The opening meeting will be held September 15, at which time Mrs. M. H. Blackwell will give a report of the national convention in San Francisco, at which she represented the Omaha club. Mrs. Blackwell is a member of the executive committee of the national board.

The program for the year will be miscellaneous, including the study of art, music and socialism; home nursing, and the mothers of today and a century ago. There will be a day for sewing for the Child Saving Institute and a program will be given for the Old People's Home, following the usual custom of the club. Mrs. W. P. East is the president.

The North Side Mothers' club will give an indoor picnic for its members and their children at the cottage of Mrs. George E. Begerow at Carter Lake club, Wednesday. The guests will meet at Sixteenth and Locust streets at 11:30 a. m. Regular meetings of the Mothers' club will be resumed the second Tuesday in September.

The George A. Custer post and woman's Relief corps will be entertained at an evening party Thursday by Mrs. F. E. Campbell at her home, Thirtieth and Canton streets. Mrs. Campbell's father, who is visiting here, will be the guest of honor.

General H. W. Lawton auxiliary to the United Spanish War Veterans will hold its regular meeting Wednesday at Memorial hall. There is important business to be transacted, so that all members have been urged to attend.

Sermos club members will discuss next year's program at a luncheon to be given Tuesday at Carter Lake club. Mrs. E. H. Barnes, vice president, is acting president in the absence of Mrs. H. H. Hawley, who is expected to return soon.

The first of the Mothers' clubs to resume meetings for the next club year is the Omaha North Side circle of the Child Conservation League of America. The meeting will be held Friday afternoon at 2:30 o'clock in the auditorium of the Monmouth Park school.

The Benson Woman's club will hold a called meeting Thursday afternoon at the home of Mrs. George Iredale to consider the question of postponing all future meetings till October 1 on account of the Sunday campaign.

The B. L. S. club of Benson will hold a business and social session Thursday afternoon at the home of Mrs. Harry Post.

All meetings of the Benson Woman's Christian Temperance union will be postponed until after the Rev. Sunday meetings.

The Benson Baptist Missionary circle met at the home of Mrs. B. J. Fuller Friday for election of officers. The president is Mrs. C. S. Sheffer; vice president, Mrs. C. H. Burdill; secretary, Mrs. Ray Robinson; treasurer, Mrs. H. C. Fuller and Miss Jessie Moulthrop. After the business session there was a social hour.

Bruce Goes to Work On Boulevard Plans

Engineer Bruce of the public improvement department has assigned most of his field engineers to the work of selecting routes for the proposed outer boulevard system outlined in detail several weeks ago.

Mrs. Bruce says these engineers will be at this work for the next three months. This boulevard will extend in a general way from the Field club, with a wide swing to the south and west, and continuing to the Happy Hollow boulevard, which will be connected with Fontenelle park by another link. Fontenelle park on the north will be the terminus of another link, which will extend to the west around Fort Omaha and thence over to Miller park.

Florence boulevard is being connected with Carter lake.

Exhibit and Sale of the W. K. Cowan & Co.

Sample Line Furniture Begins Monday

We have transported from the Grand Rapids show rooms the complete sample line of furniture manufactured by the Cowan Company, which is each year exhibited there during January and July, the furniture market seasons. We felt that this exhibit would be attractive to our friends and customers if shown complete, so we purchased the contents of their show rooms.

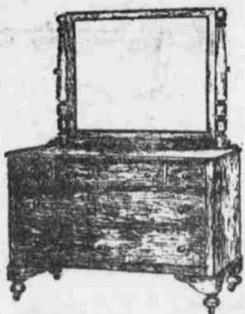

This sample showing is not only an exhibit but a sale as well of unusual interest, as goods are all marked at prices much lower than they could be sold for regularly

Taking the entire line we got a liberal discount and they were shipped through in full cars, enabling us to take advantage of the very lowest rate. These advantages we are offering in the prices we have put on the goods for this display. We invite you if interested in furniture to see this line, without the slightest obligation on your part to purchase. It represents the very best and newest ideas in furniture.
